4" Pitch Hinged Steel Belt Conveyors

jorgensen
CONVEYORS, INC.

HEAVYWEIGHT CHAMP

APPLICATION:

Ideal for handling small parts, stampings, scrap, chips, turnings, material wet or dry, horizontal or elevating, single or multiple unit systems.

"CUSTOM ASSEMBLED"

All conveyors are custom fabricated to customer's requirements to insure proper fit. Conveyors can be fabricated with coolant reservoir for machine tool application where cutting oil and coolant is involved. Tank configuration per customer's requirements.

For complete design flexibility you get a choice of conveyor type with any reasonable length legs and angles, belt design and width, and drive systems with optional safety equipment.

4" PITCH CONVEYOR TYPES

TYPE 1

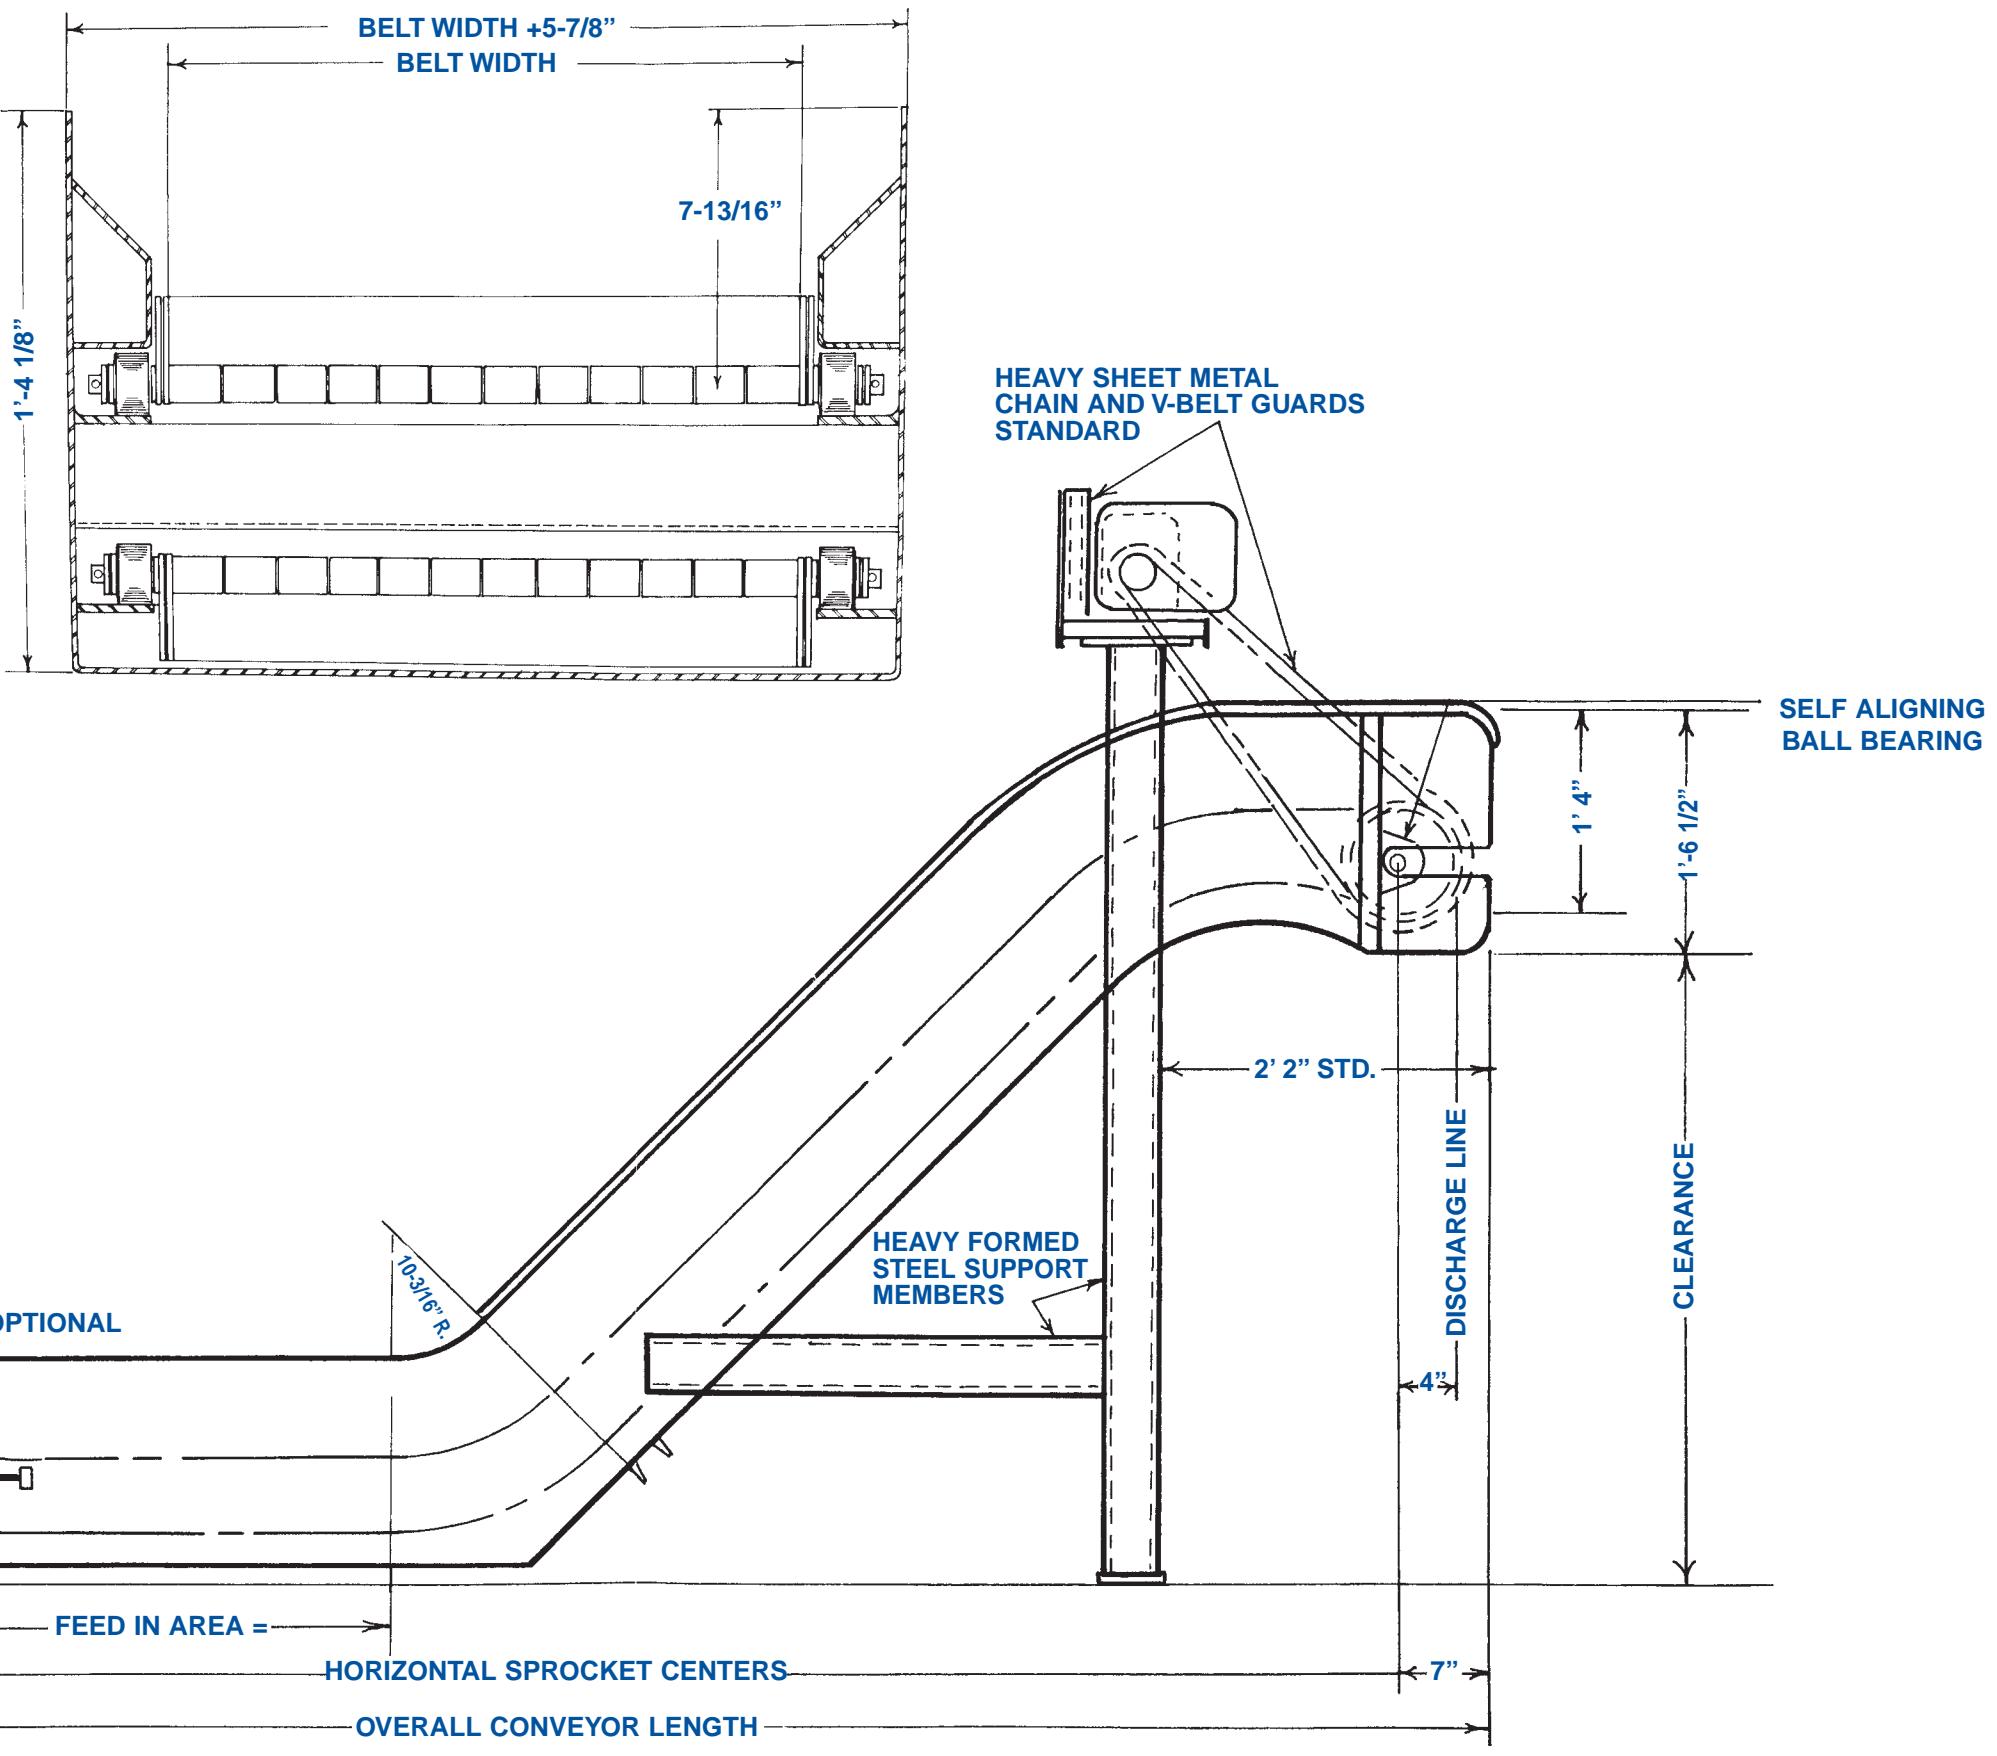

TYPE 2

TYPE 3

TYPE 4
